And Coming Soon...

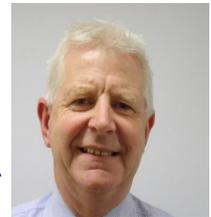

Welcome to our new quarterly Newsletter which I hope you find both interesting and informative.

As 2016 draws to a close and we enter the busy Christmas period, I think we can look back with pride on what was an excellent year for H&A. Not only have we improved productivity across the board; but have also bottled more premium products than ever. We continue to plan for the future by employing even more apprentices and reinforcing our commitment to staff training and development. This means we can look forward with real confidence to another Successful year in 2017.

Finally may I wish you all a very happy Christmas and prosperous New Year!

H&A'S NEW POUCH LINE

After receiving much interest in pouched products, the new line at H&A was installed earlier this summer, and has opened up new avenues for our company.

The LeePack Duplex Stand Up Pouch Fill Machine was an investment of around £250k, and is capable of filling a variety of sized wines, spirits and cocktails, making it one of the most flexible and adaptable filling systems we have within the factory.

Within its first few months in production, orders have been steady with liquids which are delivered to H&A in IBC containers and Tankers. However, due to the continuous investment in the storage and maturation area, H&A are also capable of sourcing the ingredients and creating the batches on the customers behalf.

Why not read Octobers edition of the Bottler and Packer for more information; <http://www.binstedmagazines.com/ibp/i2016oct/>

A MESSAGE FROM BOB

H&A POUCH LINE

CHARITY INVOLVEMENT

NLTG MATHS & ENGLISH

LINDA RETIRES

CHRISTMAS OPENING

*This year H&A have offered a number of staff the opportunity to gain a stand alone qualification in Math's and English though the NLTG. A huge well done to **Natasha McNally, Lorna Hayes, Karolina Proch and Tyler Scott**, who have all recently passed. Following their success, this is something we hope to continue to offer, with another six employees currently taking the course.*

Christmas at H&A

All H&A office staff have been invited to get festive and join in with the annual Christmas Jumper Day on Friday 16th December. Staff members will contribute £2 to take part with all money raised going to the charity Save the Children.

In addition, this Christmas H&A have decided to substitute the annual Secret Santa fun for something more meaningful and instead join in with Rock FM's Mission Christmas. We are asking all staff to buy one extra present which will be donated to disadvantaged local children aged between 0-18years.

All presents must be placed under the office Christmas tree by the 14th December!

LINDA VASS RETIRES

After an amazing 38 years of service our very own Linda Vass retired on the 18th November. Originally starting in the company as a PA, Linda has worked throughout the business being actively involved in every department, even training many of the staff that are still with us today. In more recent years, Linda has played a pivotal role in helping our customers visions become a reality and is highly regarded by all the companies she has worked with. Linda is now able enjoy a well deserved break and spend time with her family, as well as, in her garden. Linda has, and always will be a massive part of the H&A family.

If you would like to read more visit: <http://www.binstedgroup.com/ibp/>

H&A will close for the Christmas Holiday on Friday 23rd December at 3pm; we will reopen at 8.30am on Tuesday 3rd January 2017. Our last deliveries to H&A will be Thursday 22nd December at 4pm and our last collection will be 11am on Friday 23rd December.

Have a Happy Christmas and Best Wishes for 2017
